District Governor's Message

Fellow Lions,

We had a great convention in PEI, I was so pleased seeing all the Lions, Lioness and others attend this wonderful convention. Our guest speaker reminded us of what it is to serve our communities. It was wonderful seeing so many at the banquet.

Lions of District N1 it is important to thank you all for the wonderful participation at the Multiple District Convention

in Fredericton. Our guest speaker was Past International President Judge Brian Stevenson, who was an entertaining inspiration of Lionism. At this time I want to congratulate 1st Vice George on being our District Governor elect for the lions year of 2010-2011. I am sure he will lead this district and continue to help it grow. I would also like to congratulate Lion Gerry Hartigan on being our 1st Vice Governor Elect, for the lions year of 2010-2011, also I would like to congratu-

late 2nd Vice

Governor Elect MacDonald. These people will serve our district well.

My visit have gone well, and I look forward to the rest of my year as your District Governor.

Yours in Lionism,
Claude LeBlanc.
District Governor.

"PAT ON THE BACK!!"

DISTRICT N-1 raised over \$6300 for our Project Dog Guide. Funds were delivered to CC Rod Wright at the MDN Convention yesterday. We had a great weekend, lots of fun and fellowship, terrific entertainment and a speaker (PIP Brian Stevenson) who was fabulous!

Nicholas Dow is 10. What an amazing young man! This is his second year participating in the Fredericton Area Lions Club's Walk for Dog Guides, and this year he raised \$210.00. "He walked his old dog, Scatter, and they both had a great time", said his mom Shelley Dow. Thank you Nicholas. Super job!

DISTRICT N-1 ANNUAL CONVENTION

The annual Convention was held in Summerside PEI at the CAUSEWAY BAY LINKLETTER HOTEL. Convention Chair **Lion Gary Gaudet** did a fantastic job organizing a great weekend for the Lions of District N-1. The meet and Greet hosted by the St. Elenor's Lions Club started the weekend with great food, great entertainment, the renewal of old friendships and the making of new ones.

Thank you volunteers!
Message from Minister Kenny

"There is no better way to make a difference in your community than by becoming a volunteer. It's a great opportunity to share your ideas, talent and experience, build relationships and develop caring communities for a stronger, more self-sufficient province. Volunteering also presents our youth with an opportunity to learn, network and build their resume for the future.

"New Brunswickers volunteer over 50 million hours a year. They work 24,000 full-time jobs without pay for causes they care about.

"National Volunteer Week pays tribute to these dedicated individuals who donate their time and energy toward helping others. Across Canada, some 12 million volunteers devote themselves to charitable work and non-profit organizations.

"I want to thank and congratulate the thousands of volunteers in our province who contribute to our quality of life in New Brunswick. We appreciate the unending work they perform to make New Brunswick a better place to be."

Merci aux bénévoles !
Message du ministre Kenny

Il n'y a pas de meilleure façon de faire avancer les choses dans la collectivité que de faire du bénévolat. Il s'agit d'une belle occasion de communiquer ses idées, ses talents et ses expériences, d'établir des relations et de développer des collectivités bienveillantes pour faire du Nouveau-Brunswick une province plus forte et autosuffisante. Le bénévolat permet aussi aux jeunes d'apprendre, de faire du réseautage et d'ajouter à leur curriculum vitae pour l'avenir.

Les Néo-Brunswickois et Néo-Brunswickoises consacrent au travail bénévole plus de 50 millions d'heures par année. Ces bénévoles travaillent l'équivalent de 24 000 emplois à plein temps sans être payés, pour des causes qui leur tiennent à cœur.

La Semaine nationale d'action bénévole rend hommage à ces personnes dévouées qui consacrent leur temps et leur énergie à aider les autres. Au Canada, environ 12 millions de personnes consacrent du temps au travail bénévole et aux organismes à but non lucratif.

Je remercie et félicite les milliers de bénévoles de notre province qui contribuent à la qualité de la vie au Nouveau-Brunswick. Le gouvernement est reconnaissant de l'énorme travail qu'ils accomplissent pour que le Nouveau-Brunswick soit un meilleur endroit où vivre.
