District Governor's Message Roderick "Rod" Wright

District Governor's Corner

February! The Lionistic year is moving so rapidly that it seems like we were just at the Convention last year when you elected me your District Governor. I want to thank the LIONS of District N-1 for the opportunity to serve you as your District Governor.

Your support throughout this year has been greatly appreciated. Together we have achieved our goals of having FUN whether in meetings or serving our communities. The second goal of **RECOGNITION**, is something that you have taken to heart ensuring those businesses and individuals that have supported your clubs also get the recognition they deserve. Public relations is so important. Third, **RETENTION**, is something that affects all LIONS. Remember with retention, we keep the "hands of service". Appreciating the new insights and engaging LIONS in meetings and service projects is the best way to retain them. LIONS want to serve and we need to provide opportunities at all levels to give them the chance to expand their leadership skills. Leadership is not holding a title, but is seen through the service that LIONS do in their communities providing "Miracles Through Service" by "Everyday Heroes", the LIONS of District N-1. And fourth, is **MEMBERSHIP**. LIONS we need to grow. As we age we need to enlist new members with the same goals of ensuring that our communities needs continue to be met. We need to have more hands of service to guarantee that our motto "We Serve" continues to be the center

of our LIONS Club goals.

Our membership is growing through the hard work and commitment to the goals of LIONISM by the LIONS of District N-1. During the month of February, I have traveled to Grand Washademoak Lions to induct 10 new members, Boiestown/Upper Miramichi Lions to induct 10 new members, Moncton Lions to induct 10 new members, Eastern Charlotte Lions for the induction of 7 new members and Zone Chair Kevin Guiggey went to Nackawic Lions to induct four new members. Other clubs have also been very active in the recruitment of new Lions with Sussex Lions having six new members, and many reporting an increase in membership. It is also great to see some of our Charter LIONS returning to their clubs to continue the work that they started when they worked so hard to get their LIONS clubs chartered.

District N-1 will be hosting a Lions Club International Extension Workshop for the development of new LIONS Clubs. It will be held April 15th and 16th in Fredericton with Lion Lou Brunet from LCI facilitating the training. Lion Lou will also be facilitating a "Guiding Lion" training on the 18th at the District N-1 Convention and Leadership Seminars to be held in Saint John, New Brunswick. With this training our District should be prepared to continue the road of growth which we have begun this year. Continued Page 2

PROUD TO BE A LION

Our District Cabinet meetings this year have been a great opportunity for all our LIONS to have a voice, for all LIONS to have training which was provided by a leadership team that was committed to the District's goals, and for our Zone Chairs and MERLOW Team to have meetings to help move the District and our LIONS Clubs forward. The LIONS of District N-1 are the PRIDE, one I am honoured to be serving as District Governor, for without you the strides we have made could not have been achieved.

District N-1 is made up of eighty-eight LIONS Clubs and by the time the District Convention rolls around in April, I will have visited all the LIONS of District N-1. Again, Thank you for your support, your unending service to your communities, your District, and Lions Clubs International.

Respectfully Submitted,

District Governor Rod

You Could be a 2010 Olympic Torchbearer

Be part of the Vancouver 2010 Olympic Torch Relay by making a personal pledge to do something in your daily life to make Canada an even better place to live.

For over 100 days leading up to the Vancouver 2010 Olympic Winter Games, 12,000 Canadians will be helping the Olympic Flame make its way across Canada. And you could be one of them.

As a presenting partner, RBC is giving thousands of Canadians just like you the opportunity to carry the Olympic Flame. Applying is easy. To begin, follow the link below and enter your first name, last name, and email address below as instructed.

The Olympic Flame will visit 1,020 communities and places of interest during its journey towards Vancouver for the 2010 Olympic Winter Games. Over 90 per cent of the Canadian population will be within a 1-hour drive to a community that the Olympic Flame will visit. Nearly 200 of those communities will host regional celebrations.

Comedy Corner—

A Minister decided to do something different one Sunday morning. He said 'Today, in church, I am going to say a single word and you are going to help me preach.

Whatever single word I say, I want you to sing whatever hymn that comes to your mind'

The pastor shouted out **'CROSS.'**

Immediately the congregation started singing in unison, **'THE OLD RUGGED CROSS.'**

The pastor hollered out **'GRACE.'** The congregation began to sing **'AMAZING GRACE, how sweet the sound.'**

The pastor said **'POWER.'** The congregation sang **'THERE IS POWER IN THE BLOOD.'**

The Pastor said **'SEX'** The congregation fell into total silence. Everyone was in shock. They all nervously began to look around at each other afraid to say anything.

Then all of a sudden, way from in the back of the church, A little old 87 year old grandmother stood up and began to sing **'MEMORIES.'**

Gotta love Little Old Ladies.....

CLERC

January 22, 2009

Eyewear collected for the Canadian Lions Eyeglass Recycling Centre located in Calgary Alberta, one of 17 such centers around the world. Eyewear is collected from Coast to Coast in Canada for our Program.

Glasses are normally shipped at no cost to our program by one of the following to our facility
 United Van Lines or agent, Mayflower Moving or agent and Day and Ross Transport

Glasses are received and processed at the Calgary Correctional Centre where the volunteer offenders sort, sanitize, hand dry, inspect and repair if required. Glasses are read on one of eight Lensometers. The prescription and glasses are placed into a zip loc bag then placed into boxes of 350 according to type. Reading, Single Vision, Bifocal and Children.
 Plano Sunglasses, Safety glasses and frames are not read on the Lensometers.

Mission/Vision Statement

To create and foster a spirit of understanding among all people for Humanitarian needs by providing volunteer services through Community involvement and International cooperation.

To provide offenders with an opportunity to contribute in a meaningful way, to the global community through the "Lions Eyeglass Recycling Program."

The Need is Great

The World Health Organization estimates that *153 million** people suffer from visual impairment due to uncorrected refractive errors. Virtually all these people could restore normal vision with eyeglasses. *2008 statistics yet, *millions* lack access to basic eye care and financial resources to obtain corrective vision.

Eyeglasses are shipped to organizations within Canada and distributed on mission in developing countries FREE of charge to bring sight to those in the greatest need.

Since our program started we have shipped too many organization including Mikinduri Children of Hope (Mr. Ted Grant) of Cornwall PEI and Better World Karen & Greg McKenna of Kinkora, PEI

I would like to express my gratitude to a fellow Lion. Happy Jack MacPherson of Charlottetown who was very instrumental in getting the Lions of PEI involved in our program and continues today. Thank You.

Being involved with the Eyeglass program is an opportunity to bring the Gift of a new beginning, the Gift of a more rewarding life, the Gift of future success, the Gift of independence and most of all the Gift of Sight.

Since 2003 we have shipped to 58 organization and glasses have been distributed in over 48 countries and geographical areas of the world.

The following letter was in Canadian Newspapers during December.

Canadians encouraged to join in the spirit of giving by donating old eyeglasses.

This year Santa upgraded his spectacles to reflect a more current look, but like so many of us he didn't know what to do with his old ones. So, Santa decided in the spirit of giving to donate his old glasses to the Lions Recycle for Sight program. Each year Canadians donate over 300,000 eyeglasses to the Lions Recycling for Sight program, which are then sent to developing nations.

"In this season of giving it is good to see role models, like Santa Claus, helping to give back in such a special way to those who are visually impaired," said Lion Bernie Gribben P.D.G. and coordinator of the Lions Recycling for Sight program. "Without proper sight children will drop out of school because they cannot read well enough and adults may lose jobs and become dependant on family to assist them in day-to-day living."

Donations of all types of glasses are accepted – single vision, bifocals, reading glasses, children's, sunglasses, even frames or uncut lenses. Canadians can drop off their eyeglasses at a variety of locations across Canada including: Wal-Mart Vision, Zellers Pharmacy, local churches and local optometrist(s).

Grocery Stores.

Donations are picked up by local Lions Clubs and sent to a central depot – Canadian Lions Eyeglass Recycling Center – in Calgary. Glasses are then sorted, sanitized and tagged with prescription information to be donated to organizations within Canada for overseas missions. It is estimated that one tenth of people in developing countries need eye glasses and cannot afford them.

Lions Clubs across Canada have been helping collect glasses for those in needs for over 80 years. For more information on Canadian Lions Eyeglass Recycling Centre (program) visit our web page <http://www.clerc.ca> or call 403-640-1056 As the world's largest service club organization, Lions Clubs International has over 46,000 clubs serving 205 countries and geographical areas; providing global reach with local impact.
