DG Luke's Message

First and foremost I would like to send my deepest sympathy to the residents of Bathurst on your loss. You are in our thoughts and prayers.

The past six months have been a learning time for us all. We are becoming that great district we knew all along that we would be. Thank you all for stepping up. Rome was not built in a day and neither will this district. Relax and enjoy the ride!

Plans are well under way for our District convention hosted by the Moncton Lions Club. Lion Brian and his team are working hard on this. I hope to see as many Lions as possible.

Thanks for all the reports that I have been receiving. I enjoy reading about your successes. I encourage those you have not sent any report this year to start sending them in. Brag about your club!

These next six months will be busy. Club elections, conventions, and the Diabetes Calvacade in Woodstock are just some of the upcoming activities in the district.

Fellow Lions keep up the great work! I hope to see many of you in Simonds at the next Cabinet meeting.

DG Luke

“CHALLENGE TO CHANGE”

Dear Lions, Lionettes and Leos;

Please find attached a couple of recent photos of the construction site at Cassidy Lake. The boys' dormitory, the most urgent need is well underway. The construction of the service building is also in progress. The entire project is being phased so that the daily routine can unfold with minimal disturbance.

The Portage Atlantic's "Making Miracles Happen" Campaign Committee thanks you for making the realization of this campus style facility an important part of your charitable giving.

Lions' Clubs have set an example of leadership by way of their support to this very important cause. Needless to say, each and every one of you have had a hand in supporting Atlantic youth with serious addiction problems in need of the Portage program.

*With sincere appreciation of your support and encouragement,
we extend to you Season's Greetings and Best Wishes for the New Year.*

District N-1 Awards Committee
 Report to the Charlottetown Cabinet Meeting
 November 24, 2007

Fellow Lions:

At the Organizational Cabinet Meeting in August held at the Geary Lions Club, I asked what was to be done with the two districts' trophies. (I gotta stop asking questions.) As a result of that question a committee was formed to recommend to cabinet which trophies to keep.

That committee consists of PCC Sonny Bonnell; PCC Rheal Cormier; PDG Fred Cook & me.

Our recommendations are that:

1. District N-1 start with brand new trophies
 - a. We feel that to remove the title & name plates would be a disservice to the donor of the trophy and of the winners. Name plates would end up in a drawer somewhere, get forgotten and eventually thrown out.
2. District 41-O & District 41-N1 retire all their existing trophies.
3. That existing trophies be returned to the donor. Should the donor be deceased, then the trophy should be given to the last winner.
4. The honour of donating a trophy to the new district should fall first to the donor of the retiring trophy. In the event there is more than one donor for the same trophy, the names will be placed in a hat and one name will be drawn, the other individual would be offered an opportunity to sponsor a trophy in an open category. For any trophy that remains un-sponsored, we recommend that it be sponsored by an active Lion.
5. We recommend that District N-1 award trophies in the following categories
 - a. Best President
 - b. Best Secretary
 - c. Best Zone Chair
 - d. Visitation Award (Three)
 - i. Clubs 20 & Under
 - ii. Clubs 21 – 29
 - iii. Clubs 30 & Over
 - e. Lion of the Year
 - f. Rookie of the Year
 - g. Baby Lion of the Year
 - h. Best Club
 - i. Best District Chair
 - j. Most eyeglasses Recycled
 - k. Best Bulletin/Newsletter
 - l. Most Improved Club
 - m. Largest Donation to Lions Foundation of Canada
 - n. Largest Donation to Lions Clubs International Foundation
 - o. Scrapbook

We have additional awards that we feel need further discussion.

- Hearing & Speech Action and Work with the Deaf
- Work with the Blind
- Diabetes

Your committee will render a decision by the next cabinet meeting.

We submit this report to the Cabinet and ask for a vote of approval at the next Cabinet Meeting on February 3, 2008 to be held at the Simonds Lions Club. We ask that this be published in the District Governor's newsletter for all clubs to read.

When this report is approved, The Awards Committee recommends that it be put in the District's Policy Manual.

At the next Cabinet Meeting in February the committee will present recommendations for the criteria to be followed for these awards.

My fellow Lions:

Many children who graduate high school and go on to further their education are faced with severe financial, emotional, and social challenges. The residents of Portage Atlantic face these challenges as well as the added challenge of staying drug and alcohol free. Unfortunately, in our society today, drug and alcohol abuse is a problem that will not go away. Therefore we must do everything we can to help these youth become drug and alcohol free and receive the education to become productive in society.

Last year a District project was undertaken to assist these students by way of a bursary fund, named to honor Lion Ron Evans who has put his heart and soul into raising the awareness of the need for the facility we now have at Cassidy Lake and the funds necessary to expand to help more of our youth. Our first "Lion Ron Evans Bursary" of \$1000 was presented at the graduation ceremony in September 2007.

The District held a event in honor of Lion Ron. Many Lions, including ID Terry Graham, and citizens dropped in to take part and make a donation. We raised over \$7,000 in approximately 4 hours to give this Bursary fund a good start.

District Governor Luke is committed to keep this an ongoing District project, and therefore the bursary must be funded this year and every year as long as there is a need. I have agreed to chair this project for this year.

Now we need your help. Is there someone in your community who could be honored with the funds being committed to the Ron Evans Bursary? If every club in the District would commit \$50, the fund could increase by \$4500. Do you have some other ideas that would help this project?

For any club who wishes to make a contribution, please forward the check to **The McAdam Lions Foundation, Attention Lion Frank Carroll , 12 Rose Street, McAdam, NB E6J 2B3.**

Please indicate clearly on the check "**The Lion Ron Evans Bursary**" as The McAdam Lions Foundation handles several funds.

We thank you for your support. Without your generous help, this assistance to these students would not be possible.

Yours in Lionism
Lion Boyd Sangster, IPDG

The International Association of Lions Clubs District N-1

To: District N-1 Lions
 Fr: VDG Rod Wright
 Re: **2008-2009 Cabinet Positions**

During the next few months I will be completing training activities that are sent to me by Lions International to help me become the best District leader possible. I am looking to build my leadership team for the 2008-2009 Lionistic Year and am looking for individuals that are committed and motivated to ensure that District N-1 is the PRIDE of Lions International.

If you would like to become a member of the District N-1 Leadership Team please forward me an email telling me what position that you would like to play within the team. I am looking for diversity from across the District to form a TEAM that can and will work together to provide our membership with the best possible LIONS experiences as we continue on our journey of change. Remember, that ALL Lions are leaders and you have a lot to offer.

Throughout this past year, I have had the opportunity to meet many of you at the District functions and on my visits. But there are still many that I have not and I do not want to leave anyone out who would like to become a part of the District N-1 Leadership Team. So, if you have the time, the motivation, the determination, I want to hear from you.

I may get many responses, and that would be a good thing. But if you want to be a part of the CHANGE, I will find a way for you to use your skills, your time, your motivation and your determination to make us a winning TEAM.

Thank you for your time and consideration.

“CHALLENGE TO CHANGE”

AN IMPORTANT MESSAGE FROM LIONS CLUBS INTERNATIONAL**To all Club Presidents and Secretaries****RE: Changes to due dates for Monthly Membership Reporting by Clubs**

Beginning in April 2008, there will be change in the due dates for clubs to submit their monthly membership reports to LCI. As explained in the linked Frequently Asked Question (FAQ) document, the changes will (1) enable LCI to produce more timely monthly membership reports, and (2) provide more accuracy and consistency between data on club roster reports and LCI billing statements and financial recap reports.

Read the FAQ document for an explanation of the new reporting dates and information on where to direct any inquiries.

New Process for Monthly Membership Reporting by Clubs**Effective April 2008****Overview & Frequently Asked Questions****Overview**

Beginning in April 2008, there will be a change in the submission dates for clubs to report their monthly membership reports (MMRs). These reporting changes will apply both to clubs that report their membership transactions online (through the online WMMR system) and for clubs that submit paper MMRs to international headquarters. As explained below, the overall goals are to (1) enable LCI to produce more timely cumulative monthly membership reports, and (2) provide more consistency and accuracy between the LCI cumulative monthly member report and Club Billing Statements and District Financial Recap reports.

Frequently Asked Questions**Q: What exactly will be the changes to monthly membership reporting?**

Currently, membership reporting is released by LCI on a one-month lag. For example, the May Cumulative Membership and Club Summary Report is released on June 29th and utilizes transactions (adds or drops) that are created through on the 28th of June. As such, the "May" report has transactions that were created from May 28th through June 28th 4:00 PM (local time in Oak Brook).

Under the new membership reporting process, which will become effective in April 2008, reports will be released as of the most recent calendar month end. For example, the May report will have transactions that were created from May 1st – May 31st. The report will be generated 5 days after the last day of the month.

Q: Why were the changes necessary?

This will allow the association to report membership on a timely basis.

Q: Will the due dates change for monthly membership reporting?

Yes, for clubs that report online through the WMMR system, transactions must now be entered by the **last day of the current month**. And for clubs that file paper MMR reports, they must submit paper MMRs to LCI by the **20th of the current month**.

Transaction entered on the WMMR will be reported in the current month. For example, transactions entered on July 7th will be considered a "July" reporting.

Mailed reports, must be received by the 20th of the month, to be included in that month's cumulative report. Reports, received after that date, will be recorded in the membership system with the current month, however will be included in the next month's cumulative report.

**“CHALLENGE TO CHANGE”**

The following are the dates to submit each months' report, effective beginning in April 2008:

<u>Month</u>	<u>MMR Reporting (mailed)</u>	<u>WMMR Reporting (online)</u>
July	July 1 - July 20	July 1 - July 31
August	August 1 - August 20	August 1 – August 31
September	September 1 - September 20	September 1 – September 30
October	October 1 - October 20	October 1 – October 31
November	November 1 - November 20	November 1 - November 30
December	December 1 - December 20	December 1 – December 31
January	January 1 - January 20	January 1 - January 31
February	February 1 - February 20	February 1 - February 28
March	March 1 - March 20	March 1 – March 31
April	April 1 - April 20	April 1 - April 30
May	May 1 - May 20	May 1 – May 31
June	June 1 - June 20	June 1 – June 30

Q: Will this eliminate the LCI cumulative monthly membership reports being a month behind? Yes, the reports will now contain current monthly data, rather than being a month behind.

Q: Must club secretaries still report monthly? Yes, to help LCI more accurately reflect membership numbers, clubs will still need to report monthly. Previous month's reporting can no longer be submitted past the month's cutoff date.

Q: Will the new reporting dates change the deadline for club charter applications? The only change for charter applications occurs in the month of June. In order to be chartered in the current fiscal year, completed club charter applications need to be received at LCI headquarters by **June 20th**. Applications can be received electronically or by fax if necessary.

Q: When will the change in reporting be implemented? The new reporting will be effective for membership reporting for the month of April 2008.

Q: How many clubs now report online through the WMMR system? More than 70% of clubs worldwide now report online via the WMMR system. If your club would like to report online and thus be eligible for the latest filing date each month, please contact the Information Technology division by email at: wmmr@lionsclubs.org to receive a password and basic instructions.
