DG Luke's Message

PLEASE GET YOUR PU 101'S TO VDG ROD AS SOON AS POSSIBLE!

Any qualified Lion wishing to run for Vice District Governor must have the appropriate information submitted to CST George 30 days prior to the District Convention.

Please send in items to Lion Susan Sangster for the newsletter. Remember, this is your Newsletter!!

I would like to take this opportunity to wish you all a Happy Easter and a very Happy St. Patrick's Day.

We are in election time. Clubs are busy filling an executive for 2008-09. This is the time to fill our Zone Chair positions as well. It is a rewarding job so I encourage any Qualified Lion to run. I would like to congratulate Lion Lucio Cordiso for putting his name forward for the position of Vice District Governor.

I hope to see most of you at our District Convention on April 18 to the 20th. It is our first convention as District N-1. Our guest speaker for the weekend is former MP Claudette Bradshaw.

How about this weather? It has been hindering my visitations so I will try to find time to make them up. This has to be the most rewarding part of my job.

Keep up the great work and continue to serve with pride.

MOTIVATION IS WHAT GETS YOU STARTED. HABIT IS WHAT KEEPS YOU GOING.

“CHALLENGE TO CHANGE”

Let the Celebrations Continue!

Lions have surpassed CSFII's minimum goal!

During our last Worldwide Report Day on February 20, 2008, CSFII coordinators reported that more than US\$157.9 million had been raised by Lions worldwide for CSFII!

Thank you for all that your club has done to surpass CSFII's minimum goal. Now, your club can join Lions around the world as we pursue CSFII's US\$200 million "Vision for All" challenge goal!

As a club, be sure to:

- Send all funds and pledges to LCIF
- Encourage club members to designate MJFs to CSFII and continue to raise funds toward CSFII's "Vision for All" challenge goal
- **Save the date:** Lions are selecting one day as "Campaign SightFirst II Day" during the week of May 12-16, 2008 to act for CSFII.

See Visitation schedule on page 4.

R.R. No.1 FREDERICTON, NEW BRUNSWICK ,CANADA

Third quarter report of the District Visitation & Bulletin Chairperson
District Governor Lion Luke Stennick District N-1

As I begin my report I wish to say that the reports have not been coming in very well since we have such a nice large District now. In fact the bulk are coming from our old District.

To date I have only been receiving bulletin's from five of the clubs. I know fellow lions that there are a lot more of the clubs that are doing bulletin's and probably very good ones that should be sending them into me. I would like to see a lot more in this next quarter. My Name and address and E-Mail are published in the Directory so lets see if we can receive a few more before our annual convention to be held in Moncton in April. I need to have them into me by the 15th April so they can be judged for the D.G. so he will have a club to give his award out.

Visitation's:

To date I have only received reports in from three of the clubs, I know there are more clubs than that out there doing visit's. Lets see if we can get a few more in before the 15th April. Just remember that the District Governor requires some club names for his award ceremony at the end of the year so lets go clubs and get those reports into me soonest.

PS: Please do not wait and then give them to me in Moncton because it is very hard to make a decision when you receive these reports on that date.

Club Youth Camp & Exchange Chairperson

Dear Friend,

Thank you for accepting the appointment to be your club's youth camp & exchange chairperson. This letter will help you find the information that you will need to organize a youth exchange or to send a youth to camp. Due to the vast amount of information that is available, I am going to provide you with the directions you will need to access all the information you need to organize an exchange or camp, on the International Lions website. Go to www.lionsclubs.org - then click on **Volunteer Service Organization** -then click your desired language - then on the International page click on **Youth Programs** - then on youth programs page click on **Youth Camps & Exchanges** - from there you can find information on

- How to participate
- Sponsor Lions Club
- Host Lions Club
- Host Family
- Chairpersons & Camp Leaders • Past Participants

If you look on the right hand side under **More Information** - click on **Camps and Exchange Directory** - then on that page go to the bottom under "**Potential Participants**" you will see click "**here**" for more information on participation. Click on "**here**" which will take you to Participant Information. There you will be able to find all the information you will need to organize a youth exchange program.

If you do not have access to the internet or if you have a problem with these directions please contact me and I will get a kit to you with the information that you will need.

A youth exchange can be held within our own Province or another province or anywhere around the world.

The International Youth Exchange Program is not conducted for tourism, education, or employment. Instead it is a unique cultural learning opportunity.

Some examples of camps that have been held.

- A traveling camp throughout North Carolina, U.S.A. The campers slept in tents
- A Massachusetts, U.S.A. camp for young people with diabetes.
- An arctic camp sponsored by the Lions of Norway.
- A winter camp in Canada for Youth from the Southern Hemisphere.
- A ten day sailing camp around Finland.
- A camp for physically disabled young people located in Italy.
- A "sound of music" camp for musicians and vocalists held in the Austrian Alps.
- A cruise from Moscow to Saratov down the Volga River.
- An outdoors camp held in New Zealand.
- A cultural camp in Thailand which featured a visit to Grand Palace.
- A nature conservation camp in the Republic of South Africa which included a hike through a wildlife reserve.

Some ideas for a youth exchange could be.

- Between two Lions Clubs.
- Between two schools.
- Between two church groups.
- Between two Leo or youth groups.
- Speak out winners between Regions or Zones etc, etc, etc.

There are many other ways to have a youth exchange, just use you imagination.

How about sending a young diabetic to camp this summer, or young person, in your community with a disability, to a camp.

There are many possibilities so let's touch some young person's life and give them an experience to remember for life.

Sincerely, Lion Stewart MacDonald
