Korea...What an Exciting Event!

I would like to thank the Lions of District N-1 for the opportunity to be your District Governor for 2012-2013.

The last few months have been very busy in preparing for the upcoming year. In June Lion Heather and I had the opportunity to visit the Lions Foundation of Canada in Oakbrook and tour the Dog Guide Training Facility and The Memorial Forest and Breeding Facility in Breslau. This was a great experience and all Lions should be proud of what Our Foundation does for Canadians that are in need of a Service Dog.

Then on June 16th we were off to The International Convention in Busan Korea. From the beginning the trip to Busan was going to be

long, unfortunately it was extended further when our flight from Saint John was delayed causing us to miss our connection in Toronto to Beijing. We were re-routed from Toronto to Los Angeles to Beijing to Busan adding an additional 16 hours to our travel time, mostly in airports.

I enjoyed the training sessions and found them interesting and informative. the opportunity to share with Lions from around the world our successes and challenges reinforces what we as Lions accomplish as an organization and where we need to focus our future efforts on growth.2

Attending the convention in Busan brings new friendships and

fresh water eel, even though she thought it was chicken.

Our trip home was much smoother.

After arriving home it was time to get busy putting the directory together, planning our direction for the year ahead with the DG Team and looking at the opportunities our District can offer.

Communication is the key to success and our Communication Chair, Lion Reg has been hard at work getting the website updated and adding additional information.

We applied to LCI for training with PDG Paul Baker, Campus Club Specialist, and that has been approved, which will fall in place with my theme for 2012-2013..

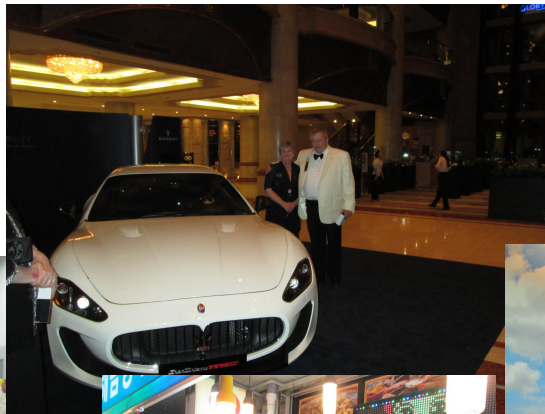

Investing In Youth The Future of Lions

We have already identified and made contact with a couple of areas for Campus Clubs and Leo Clubs, further information on this will be available as we proceed.

I enjoyed the training sessions and found them interesting and informative. the opportunity to share with Lions from

Investing in Youth the Future of Lions

Our International president, Wayne Madden's theme for 2012-2013 is:

In A World Of Service

All our training in Busan was likened to the Indy 500 Race – President Madden is from Indi-

ana and is an avid race fan.

As of July 1 we were at the starting gate and now as we proceed through our year we will complete the laps, similar to the Indy 500. We have 12 laps in our Lions Race for 2012-2013. let's make every lap a success, and we can only accomplish this together as a TEAM.

My message to our Club Presidents ~ Coach your club members to work together, find ways to decrease the dropped members

and keep our Lions working and serving in harmony. Together we will all be first at the finish line.

I am looking forward to visiting all clubs and meeting the Lions, Lioness and Lionettes of our great District.

Looking forward to seeing many of you at the Organizational meeting August 12th, I wish you all success in getting your year started and completing the 12 laps of our 2012 -2013 race to the finish.

Yours In a World of Service

DG Stewart

Lion Fred Phillips Fredericton "UNsung HERO"

Lion Fred Phillips was honoured with an Unsung Hero Award by the City of Fredericton for his unselfish contribution and dedication to others and helping make Fredericton a more caring community.

"City Council recognizes the great importance of volunteering in our community

and it is hard working residents, like today's Unsung Hero honourees, that make Fredericton such a great place to live," said Mayor

Brad Woodside. "Volunteers are priceless; they make a real difference in the lives of others and in their community."

Riverview Lions Make a Generous Donation to Portage

Riverview Lions Club Members recently visited the Portage, Cassidy Lake Residential Centre to present a cheque for \$2000. Lion Gerry Forsythe is thanked by Program Manager Luc Desjardins as other member of the visitation group declare their support.

Since the Portage program is gender-specific the visiting group was divided into two groups for a tour of the female and male living quarters.

The tours were led by two of the residents who did an exceptional job of showing the facilities and describing in detail the different activities that are carried out at the centre. Following the tour the visiting group was fortunate to be able to join the residents and staff for Lunch.

Portage is a leader in the treatment of substance abuse for youth in an age range from 14 to 21. The Portage Program treatment approach emphasizes self-help and the creation of a family-like support system. The program is designed to respond to the needs of the individual.

INVITATION FROM PORTAGE

Portage Atlantic 2012 Recognition Day Ceremony.

As you know, Portage Atlantic provides residential addictions rehabilitation therapy to Atlantic Canadian youth ages 14 to 21. The 64-bed Cassidy Lake, NB facility receives more than 100 youth each year from throughout the Atlantic region. Each year in September, Portage Atlantic program graduates are honoured for their achievement on Recognition Day. At this very special ceremony, parents, friends, and supporters come together at the Hampton High School in Hampton, NB to celebrate the young men and women who have worked hard in the previous year to turn their lives around. Bursaries are awarded to a select group of graduates showing exceptional personal transformation and dedication to future growth.

This year, Recognition Day will take place on **Sunday, September 30th**. For the first time, our special Guest Speaker will be a former Portage Atlantic graduate. **Mr. Dan Martell** is a Moncton-born entrepreneur, investor and public mentor now based in Silicon Valley. As a past Portage Atlantic resident living with ADHD, Mr. Martell offers an inspiring perspective on managing perceived barriers to achieve success.

WE SERVE

Who did the job finally?

This is a story about four people Everybody, Somebody, Anybody and Nobody.

There was an important job to be done and Everybody was sure that Somebody would do it.

Anybody could have done it, but Nobody did it.

Somebody got angry 'bout that, because it was Everybody's job.

Everybody thought Anybody could do it, but Nobody realized that Everybody wouldn't do it.

It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.
