Lions ...As PDG Boyd and I were driving to my visit to the Douglastown Lions Club in Miramichi we drove by a church on a corner that had a lighted sign in the front of the entrance. The message, while short and simple, expressed a heartfelt message that could have been said by any person, not just a Lions member, who believes in the power of prayer - "...And whoever is praying for more snow, PLEASE STOP!" While the message said that same thing I have said many times this past few weeks, I couldn't help but chuckle.

There is still a lot of work to be done this year. I have completed 58 visitations to our Clubs and have personally inducted several new members with more to come. Imagine the huge impact inviting one new member would have on the amount of service we could provide in our Clubs, in our District. It all starts by inviting one friend, family member or neighbor to join your club. Give them the opportunity to be a Lion and give your club the opportunity to grow. Get the tools you need to invite new members by visiting the [Ask One page](#). But please remember, as a sponsor of a new Lion, your job does not end with the induction ceremony. You are responsible to see that new member develops into a good Lion by being their mentor, their guide to this great world of Lionism. There are many tools on line to help both the new member and the sponsor. Be certain as a sponsor you are sharing the very latest in information.

Now is the time to get your orders in to LCI, to the Lions Foundation of Canada, or to Lions Quest Canada to start preparing to recognize and say "Thank you" in a public way to our members and supporters for all their hard work and financial contributions. As Clubs prepare to hand the reins over to another team, they will want to use one of the many ways to say thank you - presentations of Melvin Jones Fellowships, Judge Brian Stevenson Awards, Harry Newman Awards, Certificates of Appreciation, Life Memberships in LFC or in your Club, - Simple recognition of a job well done with a Presidents Certificate of Appreciation. Ask for any assistance you need or use the LCI Web site to find information on any of the Recognition items. As we are using these methods of recognition, we are supporting LCIF, LFC and LQ.

Election Time is coming. By now, you should have your nominating committee together and be ready to hold your elections. **May 15th** is deadline to file your PU 101's with LCI and District N-1. Please remember that paper is done at Lions Clubs International. If you are not registered and set up on MyLci to file these important documents, please ask for help. They need to be filed electronically. It is also extremely important the 1st Vice District Governor receives a copy.

Registrations forms are on line for a couple of fun filled weekends - April 17,18,19 for our District Annual Convention and May 22,23,24 in Dartmouth NS for the Multiple District N Annual Meetings. **Please remember, it is your one of the obligations as a Chartered Club to make best efforts to send your voting delegates to the Annual Convention of your District and Multiple District.** And Lions, along with the work of **Officers Schools** and **other interesting sessions**, we will also have a lot of fun. We will also hold the final vote to record your certification to send PCC Rod to Hawaii as our candidate for International Director.

DG Susan

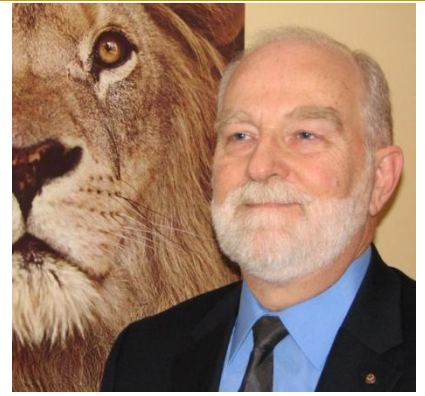

Congratulations to Lions Paul Cousins of the Kensington Lions Club and to Lion David McAndrew of the Malpeque Bay Lions Club for being accepted to the Advanced Lions Leadership Institute being held in Calgary, Alberta March 7-9, 2015. **All the best to both Lions.**

From the desk of 1st Vice District Governor Lion Doug Small

Fellow Lions,

Looks like old man winter is trying to say once and for all time that he is the boss. He only forgot one thing, we're Canadian eh! And we can suffer through any type of foul weather and make the best of it.

I may be looking at the world through rose colored glasses but I believe spring is in the air. (longer days, shorter snow banks)and this time of year for Vice District Governors, is scramble time.

As I look forward to my year as Governor, I am taking a lot of courses and making a lot of plans along with key Cabinet members. I am also looking at the District Team (Cabinet and Zone) and trying to put together a bunch of Lions, who like me, believe in our district and want to strive to make it better for all Lions.

To this end I need to hear from all interested Lions who want to serve on the district Cabinet. That includes those who want to join for the first time, want to continue serving as before or want to move on to something else. Call me or email me and we can talk.

As always, we can't do this job alone. Membership growth is extremely important to the continuing success of our District and Lions in general. Try to interest new people in our service minded vision. And remember to try harder to save those lions who seem to have lost interest in what we do, remember also that it is **Your Club** and you can do it **Your Way**. Be flexible and keep your members happy.

I want to remind you that I hold this office because of you and I am here to serve you. My office is always open for any questions you may have or to aid you in any way I can.

VDG1 Lion Doug...

From the desk of 2nd VDG Brennan

Hello Fellow Lion,

It has been a very snowy February for most, if not all of us. As some of us were lucky enough to vacation in a warmer area over the worst of the winter season, most of us stayed back to hold down the fort, as they say. Like all good Lions, we dust off the snow and move forward seeing if we can help ones that are in need. Some of us even did winter fund raising and activities through it all. And I am told some even enjoyed the snow and cold. This is another reason why it is nice to have a lot of members, new and old in our clubs, having ones to do the things that others don't like and the community is served all through the good and bad of winter.

As we head into the last quarter of this Lionistic year, where we all know it can be a little more active than the first three quarters. (And most of us thought we were busy then). We need to not forget our family, Lions family, as well as our community. Sometimes we get so wrapped up in our Lions world we forget our world around us.

Most of us are getting our election committees together, preparing for the upcoming elections of the new incoming Executives for the coming year. Try to encourage new blood to come forward and take on some of these much needed (and can be enjoyable) positions. Also Remember to encourage as many as we can to attend the schools being given at our upcoming convention. Whether we did one before or not... things change daily and we need to keep updated.

As for Conventions, they all should be Fun, Educational, along with meeting up with a LOT of old and hopefully New friends, in and outside of our Lions family. This is where we learn what our fellow Lions are doing in other parts of our District that works.... or maybe things to stay away from and why it didn't work for them. The host club and convention chair has done a lot of hard work setting thing up for us. So let's all show that we appreciate what they have done by attending and have some fun at the same time

Lion Cindi and I always look forward to attending conventions, and again meeting up with some of our best met friends over our lives.

Remember:

"What we do for ourselves dies with us. What we do for others and the world remains and is immortal." Albert Paine

*Hope we see you in Saint John,

2015 Officers School and Convention

The 2015 District N-1 Convention and Officers School will be taking place in Saint John, NB, from April 17-19.

The event will be taking place at the Saint John Hilton and the Convention Centre, Market Square.

Officer Schools will be held for all positions, including President (King Lion), Secretary, Treasurer and Membership Chair, as well as District positions such as Zone Chair. The Officers Schools take place on Saturday, April 18th.

Sunday will include the Necrology Service, to honour all those Lions from District N-1 who have passed since the 2014 N-1 Convention. Following the service, the fourth Cabinet Meeting under DG Susan Sangster will be held. The agenda will include Election of Officers for the 2015-16 Lions Year, amendments to By-laws (see story, page 7), and presentation of reports from most committees.

On Saturday evening, the International Banquet will be held with PID Sonya Pulley, from Portland, Oregon as the International Speaker for the banquet. She served as International Director from 2010-12.

Lunchtime on Sunday will feature the Awards Luncheon, with DG Susan presenting awards to individual Lions and to Clubs, recognizing exemplary service during the 2014-15 year.

Service Shorts...

Let's take a look at what clubs are doing around the District:

Jemseg Lions Club.....

Representative June Straight of the Jemseg Good Samaritan Food Bank recently presented a plaque with many thanks to Lions representative, Lion Percy Austin of the Jemseg Lions Club. The plaque was presented in recognition of all the support the Jemseg Lions Club has provided, and continues to provide, to the local Food Bank and our community.

Riverview Lions Support Greater Moncton Crime Stoppers

Riverview Lions recently donated \$1000 to the Greater Moncton Crime Stoppers. Lion Dave Windsor (left) presents the symbolic cheque to Lion Bob Prime, (right), Associate Member, of Greater Moncton Crime stoppers. The donation will go towards fulfilling the mission of Crime Stoppers "to create a safer more secure New Brunswick".

Read and Roar: The Nashwaaksis Lions Club Promotes Family Literacy with Local Fredericton Libraries

On Saturday, January 10, 2015, the Nashwaaksis Lions Club joined forces with three local libraries in Fredericton - the Fredericton Public Library Downtown, the Fredericton Public Library (Nashwaaksis) and the Bibliotheque Dre-Marguerite-Michaud, to donate 603 books to children in the inaugural Read and Roar event. Every day Lions around the world are helping to improve literacy global literacy rates. Here in Fredericton, the Nashwaaksis Lions Club generously donated \$3000 worth of childrens books to inspire a lifelong love of reading. At the Fredericton Public Library Downtown, 113 children (and 97 parents) took part in an interactive storytime, learned how to roar like a lion, hold a lion yoga pose, and enjoyed light refreshments. The Bailey Brothers, a local Fredericton band, had the crowd singing The Lion Sleeps Tonight in perfect harmony! At all three libraries, members of the Lions Club were on hand to give out a brand new book to each and every child. Children had a chance to choose from a huge selection of new Scholastic books ranging from visually striking picture books to gripping graphic novels, and everything in between. The parents were amazed by the variety of new books for different reading levels and interests.

The Fredericton Public Library Downtown gave out 198 books to children. The Bibliotheque Dre-Marguerite-Michaud handed out 100 books and the Fredericton Public Library (Nashwaaksis) distributed 53 books to children. The Lions donated 50 books to each librarys collection as a gift of appreciation. Each book added to the collection includes a bookplate thanking the Lions for their donation. All remaining books were returned to the Nashwaaksis Lions who donated those books along with a cheque for \$1000 to Devon School to refurbish the schools library which was destroyed when a watermain broke.

Nashwaaksis Lions recently kicked off a Read and Roar project, donating over 600 books to three local libraries

New Maryland Lions Hold 19th Annual Food & Toy Drive

King Lion Karen MacLean takes Santa (aka Lion Jacques Roy) on a tour through "The Toy Room".

New Maryland Lions Club, with help from the New Maryland Volunteer Fire Dept, NM Guides, NM Scouts, the RCMP, and several church groups, as well as individual volunteers, successfully completed its 19th annual Food & Toy Drive over several days in early December.

In addition to providing a food hamper and turkey dinner kit (turkey, potatoes, carrots, onions) to over 170 families, the Lions were able to assist local shelters, as well as the Community Kitchen and the Greener Village Community Food Bank.

Lincoln Lions Club

Lincoln Lions Club is, unfortunately, selling its community hall.

The club is currently offering assets from the building for sale to other clubs, on a first-come/first-served basis.

Building Assets include kitchen equipment, tables and chairs and possibly Bingo equipment.

For more information, and a complete listing of available items, contact Lion Harold Borden, at 506-453-0189 or Cell 506-261-9201.

All items are available as-is, where-is.

Awards Nominations Time

One of the most rewarding tasks for the District Governor each year is the presentation of Awards in multiple categories, to recognize the dedication and hard work committed by our great District N-1 clubs, and by individual Lions.

The 2015 Awards will be announced and presented during the 2015 District N-1 Convention, to be held in Saint John from April 17-19. The awards will play a key part of the banquet to be held Saturday evening. DG Susan is aware of many of the deserving projects, the clubs and individual Lions who have earned recognition from the DG, and their peers.

However, there are several categories for which nominations are invited – you know the commitment that has been shown, or the special projects that have been launched.....tell the DG about those clubs or Lions who may go unnoticed without your input. See the next page for a listing of the Awards that will be presented for 2015, and more importantly, for information on how to nominate your club or a deserving Lion.

Please send nominations to CST Heather MacDonald by the noted deadlines.

- Create a new section under Awards Criteria as follows:

Diabetes Cavalcade Donation

This award is presented to the Lions Club, in good standing, making the largest donation per capita.

Notice of Motion # 4 Nominations From Floor

Amend the District N-1 Bylaws at Article 1 Section 3 b) (i) as follows:

- Insert the following language:

Any Lion who moves or seconds the nomination of a Lion for the position of Zone Chair or Region Chair (if utilized), from the floor of the Annual Convention, must be a voting delegate from a Club in good standing in that Zone or Region (if utilized). Should more than one Lion be nominated, prompting an election, only those voting delegates from a Club in good standing in that Zone or Region (if utilized) may cast a ballot.

Racking Up the Miles.....and the Gongs

All polished up, ready to display

Any time a club goes from almost closing its doors to increasing its membership by ten members it is cause for celebration. And what better way to celebrate than to surround yourself in other club's gongs!

When any club takes a sudden jump from just four members to fourteen members, one of the best ways to get them involved is to visit other clubs. This not only allows these new members an opportunity to learn how other clubs operate, it also further instills a sense of camaraderie as you meet other men and women who have made the commitment to serve.

And if you're going to travel as Lions then you should travel as a Pride. With the exception of a whirlwind visit to Geary there was not a single other club that was visited with less than seven members. In some cases we showed up with more than ten. The fruits of our labor were obvious not only in the row of club gongs lined up at our head table but in the renewed sense of willingness to be active. No sooner would we return from one visit than we'd be planning the next such that in the span of six weeks we visited seven clubs.

Sharing a meal before sending two gongs back home

This is not to say that we stuck strictly with club visitations. Our enthusiasm was such that we brought back having a monthly dinner meeting and we have made efforts to attend Zone Meetings as well as functions hosted by other clubs.

The infusion of new members has even breathed new life into existing projects. Our Sunday afternoon 50/50 Bingo has always done well but it also seems to be doing just a little bit better. It seems that having sufficient members to create three teams has lead to the development of some good natured competition. Such things as the number of games played or 50/50 tickets sold have become a point of pride for the team that holds the record.

But most rewarding of all is to once again have other clubs visit in order to retake their gongs. When other Lions take an interest in your club and its activities it provides a sense of affirmation that we are still relevant and ready to make a difference. We would like to thank those clubs who have come to say "Hi!" and share a meal. We are happy to let you take your gongs back home...for now.

After all, one of the best incentives to visit you again is the lure of polished bronze.

***IT'S TIME AGAIN TO THINK
ABOUT PLACING YOUR AD IN
THE DISTRICT N-1
DIRECTORY FOR 2015-16***

Fellow Lions,

It's that time of year again.... time to think about the new District Directory. Vice District Governor Doug Small is looking for advertising to help defray the cost of publishing the directory. Advertising comes to us in two ways; first there are the clubs who wish to advertise or congratulate those elected to cabinet and advertising their meeting times and nights or their executive; and second there are ads placed by businesses from your community.

If you wish to place an ad in next year's directory you can pick the size wanted and send some artwork or mark up a previous ad and we will do the artwork for you. You also could just send in the information and remittance based on the size you want and we will make up a generic ad.

We would appreciate any ads from business in your community and would welcome their contribution and artwork.

The price will be **\$100.00** for a full page, **\$50.00** for a half page and **\$25.00** for a quarter page ad. The directory will be in a 5.5" x 4.25" format.

Please send your **cheque or money order (made payable to District N-1)** to Lion Reg House at the address below. Include any artwork you would like included in your ad or you can indicate what you would like to see and we will make it up. Alternatively you can **email** your ad to Lion Reg and we will bill if a cheque is not sent.

CLOSING DATE FOR ADS IS JUNE 15th 2015.

Letter to the Lions District N1 Lions Club Members

Lewis Fitness Centre Capital Campaign

Dear Lions:

On behalf of staff, residents and young Leos, Portage Atlantic would like to thank each and every one of you for your extraordinary support. From the Lions Christmas annual event at Cassidy Lake, to mentoring the young Leos, to various fund raising activities, the time and energy to help Portage Atlantic fulfill its mission of helping youth in need has been immeasurable.

Portage Atlantic is once again reaching out to our Lions Clubs in the District N1. The Lewis Fitness Capital Campaign is underway. Portage Atlantic, with the District Cabinet approval (February 7, 2015) and the District Governor's endorsement has submitted a proposal to the Lions Clubs International Foundation. Our proposal to the Foundation is to match our Lions Fundraising initiative of \$86,000 and thus far, Lions District N1 has already raised an impressive \$49,500 in donations and pledges. For the Lions Clubs who have not yet had the opportunity to consider a donation for this project, Portage Atlantic invites you to learn more about this project at www.portage.ca or by calling Carol Tracey at 504-459-1284.

Thank you for your consideration and support.
