

# **Lions Bowling**

Hello fellow Lions ,

The members of the North Rustico Lions club are thinking about bringing back the **Provincial Lions Bowling Tournament** , I started this fun event back in 1995 and ran it for 11 years ,at which time I started to travel to Alberta for the winter and unfortunately it wasn't carried on by anyone else. Well, I stayed home this year and have been asked by some to see if there is enough interest to try and have it this spring. This is a one day event (Saturday) starting approx 9:00 AM and finishing about 5:00 PM with a small meal and the prize awards. Lots of fun ,fellowship and friendships were developed over those 11 years. If the response is quick and good enough ,we are thinking about Feb 21<sup>st</sup>. If not then we will try for a date in March which won't conflict with other events.. Please contact me with your response ASAP and let me know if there is interest and if the Feb.21st date is OK. The cost will be \$150 per team which consist of 4-6 people.

Please contact me at 902-629-9273 or e-mail
